The Vanguard School

Since 1966, The Vanguard School has been a commUNITY of diverse learners from throughout the US and throughout the world. We bring together learners who receive individualized attention, assistance, and build self-confidence. Students connect through shared experiences and build leadership through their unique talents and voices.

At Vanguard, we believe in the empowering difference of belonging. Belonging in your community and acceptance of yourself and others. Through our core values, of leadership, empathy, integrity, resilience, and community, students find guidance in their decision-making, and path forward.

Our Mission

The Vanguard School provides exceptional attention to individual students who learn differently by developing the skills, confidence, and self-advocacy to accomplish life pursuits.

Our Vision

Vanguard's diverse community produces resilient, empathetic, hard working adults that aspire to lead lives of significance.
